

Both answers were home from the mountain while away and were late
 to school a man for one of the taken. General said the boy wanted to
 821 pm number do Henry. I could not find him. - We see yet to give them content
 and advice both the good as away to meet - write home that he had got his
 membership - we - well they asked if almost two miles and away road
 the old ones - down there and through the house found him -
 entered as a private could not get the other place as he had to meet for home
 in that of D

Dear Brother Dave:

I received your letter last
monday - quite a number of days after May got
the one you wrote her after you wrote mine - and
Maggie has just got hers - and today she and
Marion are both going to write to you, there is quite
a stir up to Peck's corner among the girls - seeing how
many of them can just pull the end of a letter
out of their pocket mailed a Kidville. and then
again a young lady was up to singing school the other
night and wrote a note over there saying you must
be tired of her letters as you did not answer them
but in my letter you explained it saying you
must write a letter and direct to Peck's -
Well Dave all these things are of but little
importance compared with a piece of news I heard
the other day - You know George Van Orman is
at home and you know he used to go some with
Lute - well Thomas rode down from Keedsburg with
him the other day and he told him that he
liked Lute better than any girl he ever saw and
that before the winter was gone he was going down
to see her and if he could he should make a wife
of her - you know "faint heart never won fair lady"
Can you ever see all this - the love you have for her

Will send you some photographs

Now Dave if he should get her you will see
what you might have done for I know that
she knows that you are a great deal better
than he is — — — — — Oh Dave you ought to
see the letters fly between Eph and Amanda, she
got one from him yesterday — they had been there only two
days when he wrote — you know they have gone to
Louisville Ky. — he wrote that it was a thunder shower
there and everything was as green there as it was
here in June — he said to, That Her was sick and
he was afraid he would have to go to the Hospital
we feel very much worried about him — well
did you know that Thomas had enlisted and gone
again — enlisted under Capt Strong of Suedsburg, they
are in the nineteenth regiment have gone into
Camp at Racine. Thomas is one of the Sergeants
and Uncle Al is principal musician and gets
a hundred dollars a month Lucy and Ann are
going down there to board as long as the
regiment stays there Lucy intends to go to Millions
to stay I believe — — — — —
Lis has just been very sick has got better
so that her Father carried her up to Johns today
we had the Doctor and he gave her Calomel
and that helped her — — — John has not gone
to Maine yet and Jo says he don't believe
he will go at all — — — Anne writes often and
sent mother seven pictures the other day, of great men

"If any one attempts to
haul down the American
flag, shoot him on the
spot."
